# BMW. Engineered to exceed your expectations.

Driven by the desire to bring you the best in motorcycling, BMW presents its most diverse range in history. From classic roadsters to dual-purpose, to full-dress touring machines, whether you're a new rider or a weathered veteran, you'll find a motorcycle engineered to suit your personality. And passion. At BMW, we believe that if the technology doesn't exist to make your riding experience safer, more dependable and more enjoyable, we invent it. At this time, we are proud to introduce three exciting new models: the K 1200 RS, the F 650 and the F 650 ST. All have been designed to elevate the sheer pleasure of motorcycling to the "ultimate high." Visit us on the Web at [www.bmwusa.com](http://www.bmwusa.com)
